

## **WALK it OUT**

How to Live Your Faith  
Min. Derrell Young

### **Scripture:**

*2 Timothy 1:3-14 (The Message)*

### **Food for Thought:**

William Plummer and Bonnie Bell wrote in People magazine:

The Northwestern University Wildcats shocked the world of college football in 1995 by making it to the Rose Bowl Tournament. The man behind the team's turnaround was coach Gary Barnett...[Barnett] was determined to prove that kids at the Big Ten's smallest and most academically demanding school could play football. He ordered a Tournament of Roses flag for the football building and kept a silk rose on his desk to remind everyone where they were headed.

"At the first meeting," says kicker Sam Valenzisi, "he told us we needed belief without evidence. He asked, "Do you know what that is? That's faith."
